

# School Development Plan

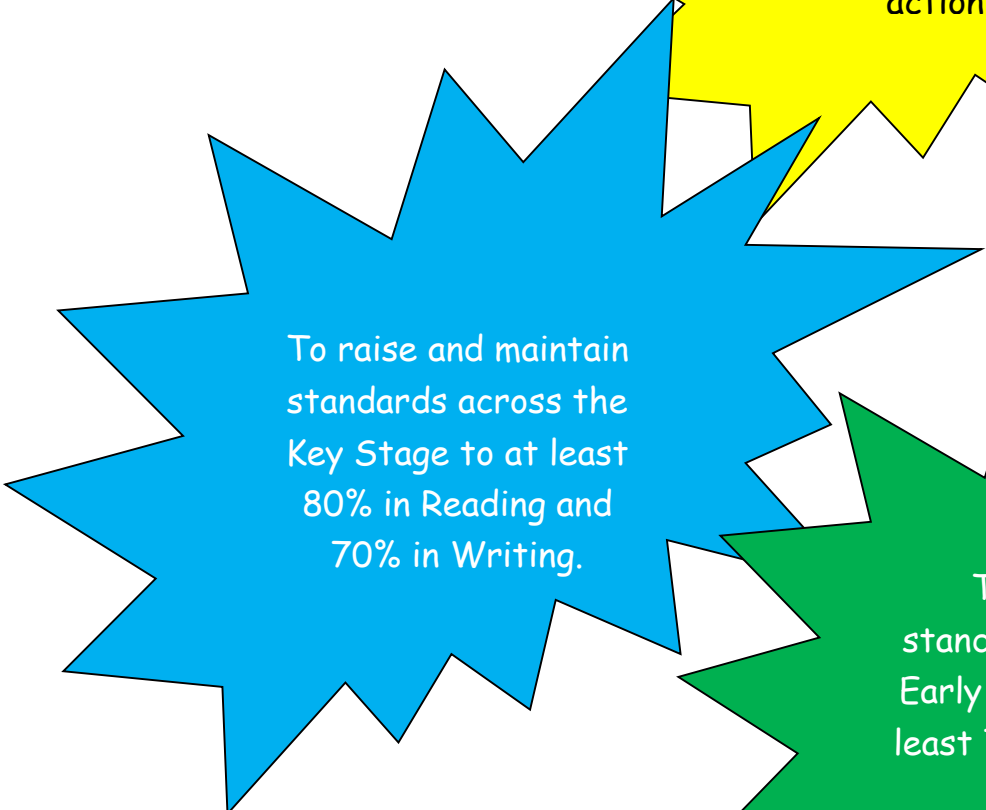

There are four main areas the school will be focussing on over the coming year and into the future.....

Maintain the high standards of progress within mathematics and achieve 85% of the children achieving Age Related Expectations (ARE) by the end of key

To ensure accurate and informative data analysis to underpin interventions and action plans

To raise and maintain standards across the Key Stage to at least 80% in Reading and 70% in Writing.

To raise standards within Early Years to at least 70% getting
